

CREATING A CHARACTER PROFILE

To write a good story, it is important to create a complex and fleshed out protagonist! Complete the “**Character Profile**” activity to help you plan and note down key details of your character’s life.

Basic Info: Name: Age: Gender:	Looks: Height and Body Type: Hair Color and Style: Eye Color: Physical Description:
Personality: What kind of personality does the main character have?	Backstory: Describe the character’s backstory. What made them who they are? What led them to go on this journey?
Historical Connection: How do historical events impact the character? Will any historical figures appear in your story? Note down specific details based on your research and the sources provided.	Relationships with Other Characters: Who does this character love the most? Who are this character’s friends and family? What kind of relationship do they have?
